SUPPLEMENTARY INFORMATION:**I. Abstract**

The Technical Advisory Committees were established to advise and assist the U.S. Government on export control matters. In managing the operations of the TACs, the Department of Commerce is responsible for implementing the policies and procedures prescribed in the Federal Advisory Committee Act. The Bureau of Export Administration provides technical and administrative support for the Committees.

The TACs advise the government on proposed revisions to export control lists, licensing procedures, assessments of the foreign availability of controlled products, and export control regulations. Any producer of items subject to export controls can make application to the Secretary of Commerce requesting that a committee be established. The information provided is used to determine if the creation of a committee is appropriate.

II. Method of Collection

Written request to BXA.
